

REPTILE

When New Orleans was the Capital
of the Spanish Province of Louisiana.

1762 ~ 1803

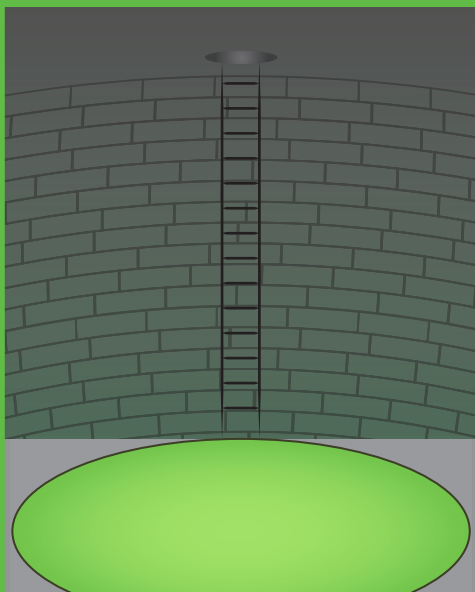

This street bore the name

CALLE REAL

NEW ORLEANS CEMETERY, LA, CIRCA 2017. A HISTORICAL CITY KNOWN FOR ITS OLD SPIRITS AND ODD LAWS, HAUNTED BY THE EERIE SOULS THAT REST ABOVE THE GROUND.

THERE IS NO MYSTERY THAT THE "BIG EASY" ONCE HAD THE HIGHEST MORTALITY RATE IN AMERICA. HOWEVER, THERE HAS RECENTLY BEEN A SLIGHT STILLNESS ABOVE THE CITIES GROUND.

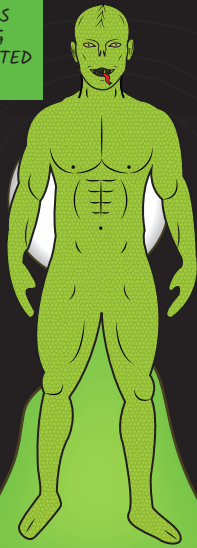

UNDERNEATH THE SEA LEVELS,
SEWERS SHELTER THE SHADOWS
THAT WERE PREVIOUSLY BRIGHT.

"CURSED WITH SCALES AND SLIME, DERIVING FROM THE SINS COMMITTED BY FEAR."

THE GUARDIAN OF NEW ORLEANS I AM."

"DISORDER FLOODED THE STREETS,

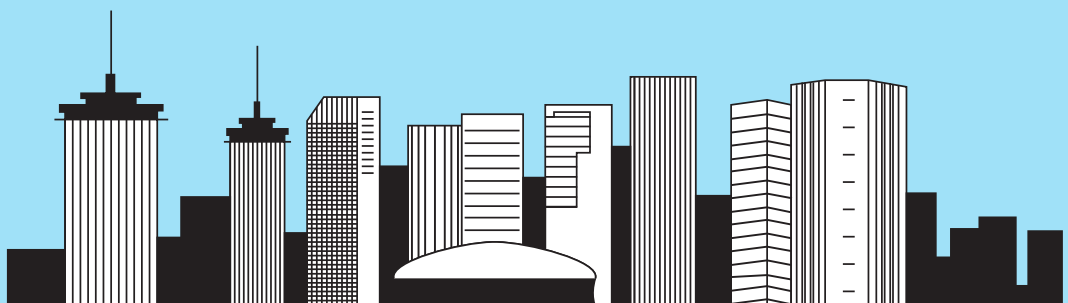

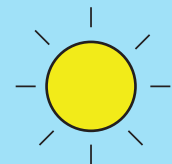

INSTEAD OF THE SEWERS BEFORE I TURNED."

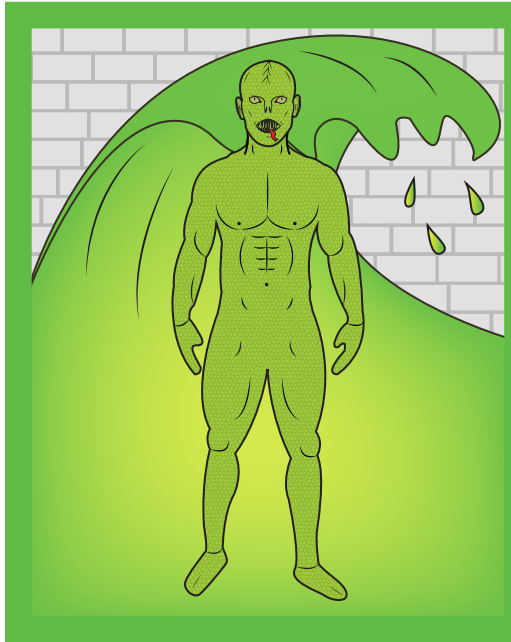

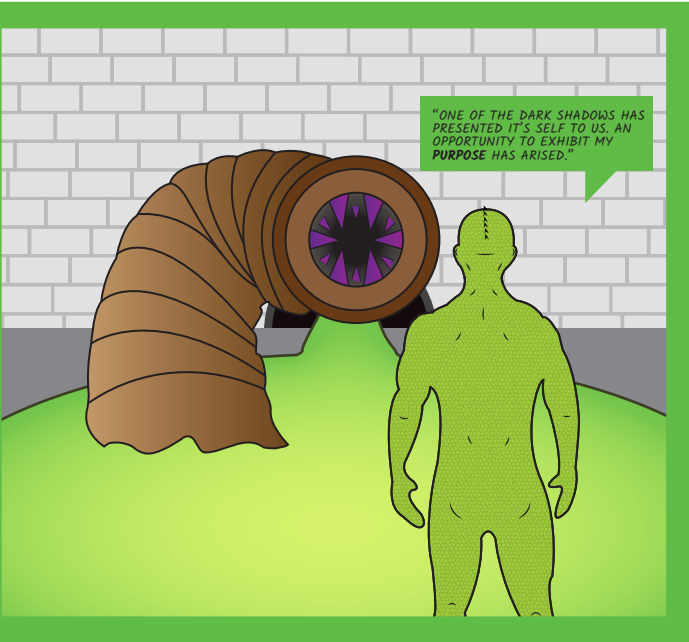

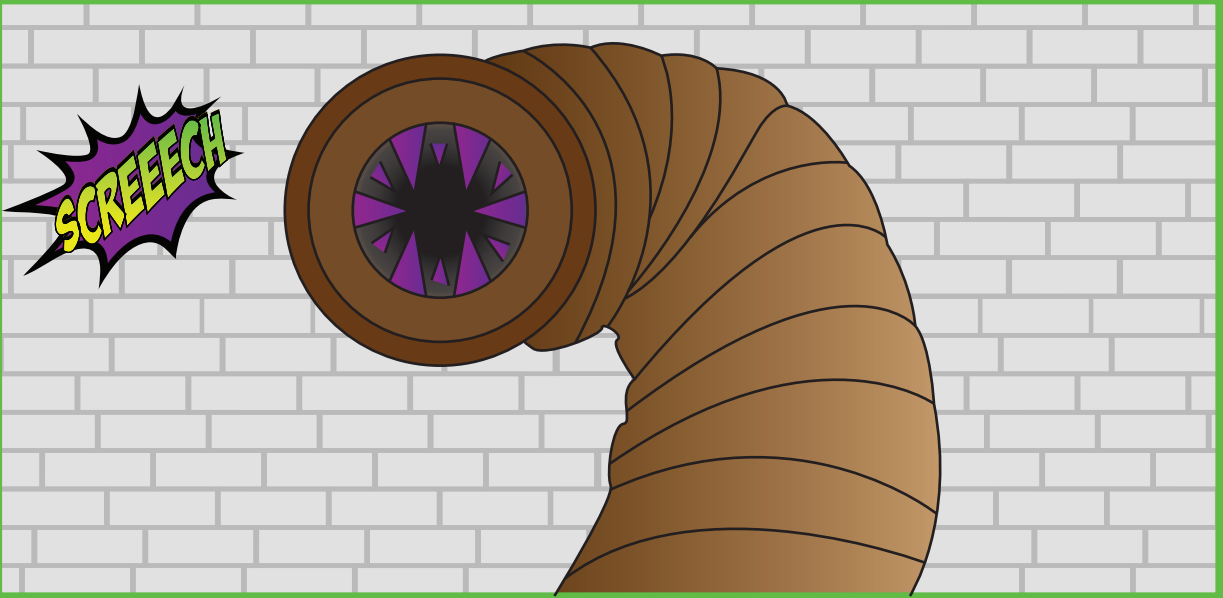

"NEW ORLEANS BECAME A DESTINATION ESTABLISHED ON SLAVE AND CARGO IMPORTS. ABNORMALITY GREASED THE AIR WITH UNKNOWN MURDERS, WHICH FOLLOWED LAVISH PARTIES. THE IMMORALITY OF OCCUPANTS NEARLY BROUGHT AN END TO THE BIG EASY, SHORTLY AFTER SOCIAL ORDER"

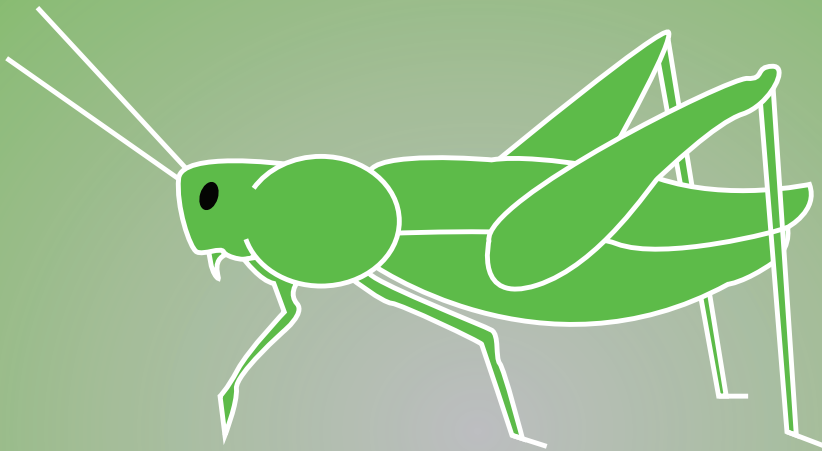

"THE VODOO QUEEN HAS COMMANDED ME TO PROTECT THESE LANDS AND ITS IMPISH INHABITANTS."

**YOUR DOCTOR SAYS TO
WATCH YOUR CALORIES.**

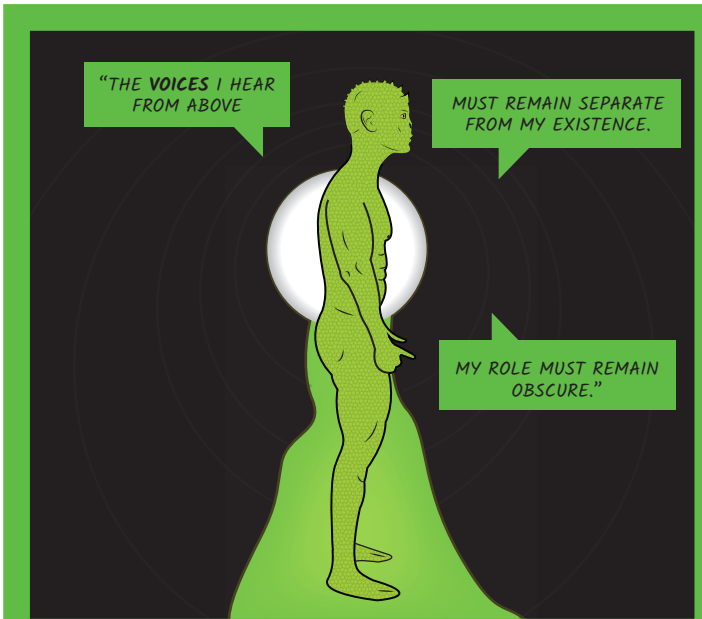

**Gigantic Crickets ONLY
330 CALS**

The Advertisement displayed does not condone the human consumption of giant crickets.
It is merely to show that only semi or non humanistic creatures will eat these
beautifully disgusting critters.

SCARED WITH CURIOSITY, SHE FURTHER INVESTIGATES THE GRAVEYARD STUMBLING UPON AN UNCOVERED MANHOLE.
