Word Art • NEW!

The word Art collection is a project that was inspired by the work of artist Kay Rosen and her famous pun-like approach to painting and art. The goal of the project was to expand on her concepts and ideas by combining her style of art with another medium in order to make it my own.

Hidden Mistresses • NEW!

The Hidden Mistresses poster is another illustration featured in the Pop-Culture collection, and was initially created as a mock poster for Charles Cohen's actual exhibition in the Whitney Museum of American Art.

RULE #1

THROW AWAY YOUR CARDS THE  
MOMENT YOU KNOW THEY CAN'T WIN.

FOLD THE FUCKING HAND.

Life's a Gamble • NEW!

The Life's a Gamble poster was the first illustration in the Pop-Culture collection that I am currently working
