> Musical Hangman teaches you chord theory in a fun and interactive way, by giving you a series of chords to analyze for their core notes. It's fun, addictive, and designed for both musical novices and professional musicians alike. There's something for everyone, and it's enjoyable on the go, right on your smartphone!
>
> Simply select each note in the given chord in the right order to advance to the next level. Chords range in size and complexity, keeping you on your toes as you progress through the game.
>
> See how many chords you can solve, and challenge your friends! It's a great way to learn about music, and have fun at the same time.
